This doesn't really have a name, in order to get free robux on roblox simply open the shop, buy one of the cheapest things that is available and then go to your inventory. You will notice that for some reason, you have been charged 2 tickets (which are used to place an item in the shop) and that you have 1 robux left.

Rated 5 out of 5 by Anonymous from My favorite game I love roblox. It is fun and it can help with school work. It's a bit pricey but worth it.  
Rated 5 out of 5 by Anonymous from love this game i love this game! it's really good for my age group, except the fact that you have to pay 30\$ or so to get wings which aren't even that good to begin with! they don't even fly that great, plus they only last for about 3 minutes anyway... other than that it's a great game!

ROBLOX first came out in September 2006 when released the first version of their game Roblox Studio (similar to Scratch). This was the original creator of ROBLOX and was developed by Jason "Akile" Akilecz (JAMASOF) from October 19 to November 5. This is the first fully 3D program for ROBLOX. The original name was "Roblox", but it was changed due to a copyright lawsuit. The name was changed to "FunRoblox", and in 2008 the "Fun" part was dropped to make it simply Roblox.

One of the reasons why Roblox has become such a big hit is because it lets you play with your friends in a virtual world that is full of adventure. It's not just for kids either, but especially for teens and adults as well because there are tons of things to do in here. It is a place where you can have fun and meet new people online. Most importantly, you can learn a lot of skills since Roblox has so many different games and places to visit.
